The quickest way to solve a problem pertaining to the junior class this year was to hand it to the following class officers. These leaders of tomorrow were: Richard Wietfeldt, president; Maurice Scheumann, vice president; Romona Hoffman, secretary; Marjorie Bultemeier, treasurer. Their positions have brought them much enjoyment in addition to their troubles. They were proud to be a part of the junior class and are looking forward to a great senior year.

## *Music Department*

As the students walked through the halls of Hoagland High, the beating tempo of our band in rehearsal could be heard. During the half-time of our home games the school spirit was boosted with the lively music produced under Mr. Myers' fine direction.

The chorus classes, with an enrollment of fifty-six members, also did a wonderful job representing Hoagland during a busy year.

Some of the activities which the music department participated in this year are as follows:

- Band at Basketball Games
- Christmas Programs
- County Choir Festival
- County Junior Choir Festival
- All-County Band
- NISBOVA Contests

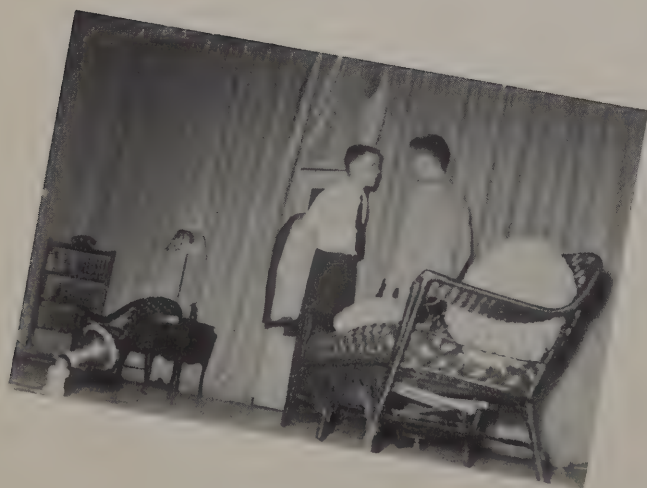

The Seniors presented their play entitled "A Pair of Country Kids" in the fall of 1955. The stage was set for the evening of October 21-22, and the curtains opened to an evening of hilarious entertainment. Mr. Justice was the director of the play, and the cast was as pictured above: Ruth Bultemeier, Larry Smith, Mary Krauss, Judy Diemer, Jeanette Diemer, Dwayne Stoppenhagen, Ron Holle, Lyle Stults, Shirley Koeneman, Mr. Justice, Gordon Peabody.

The spring of 1955 saw the Juniors of Class '56 presenting their play entitled "Betty's Last Bet." The three act comedy was under the direction of Mr. Justice. Members of the cast were Lyle Stults, Karen Girardot, Mary Krauss, Gordon Peabody, Dwayne Stoppenhagen, Ron Holle, Larry Smith, Monica Sorg, Jeanette Diemer, June Bohnke, and Jeanette Augenstein.

Below are a couple of scenes from this play.

This is the first year for Y-Teens at Hoagland, and this organization has been very successful. The Y-Teens Club has thirty members and two hard-working sponsors who are Mrs. Macklin and Mrs. Finnell.

A scrapbook of their life around Fort Wayne and Hoagland was made by the Y-Teens to send to a foreign country. They sent the scrapbook to Uganda so the Y-Teens Clubs in that country could see how the Y-Teens in Hoagland live.

At press time the Y-Teens Club is looking forward to a dance that it will sponsor to raise money for a trip.

The Y-Teens Club members are members of the Y.W.C.A. and are entitled to all the privileges of other Y.W.C.A. members.

Seated: June Bohnke, Feature Editor; Jeanette Diemer, Assistant Editor; Jeanette Augenstein, Editor; Gordon Peabody, Sports Editor. Standing: Phyllis Doctor, Gossip Editor; Shirley Koeneman, Society Editor; Gertrude Renninger, Grade Reporter; Gary Frane, Artist; Mr. Justice, Advisor.

The newspaper staff is composed of second year typists under the supervision of Mr. Justice. The Hurricane is published on all important holidays, which is usually about six times a year.

This is the third year the F.F.A. has been organized. Some of their activities for the year include soil testing, pest contest, judging contests, and jamboree. They also rent 15 acres of land for a farm crop project.

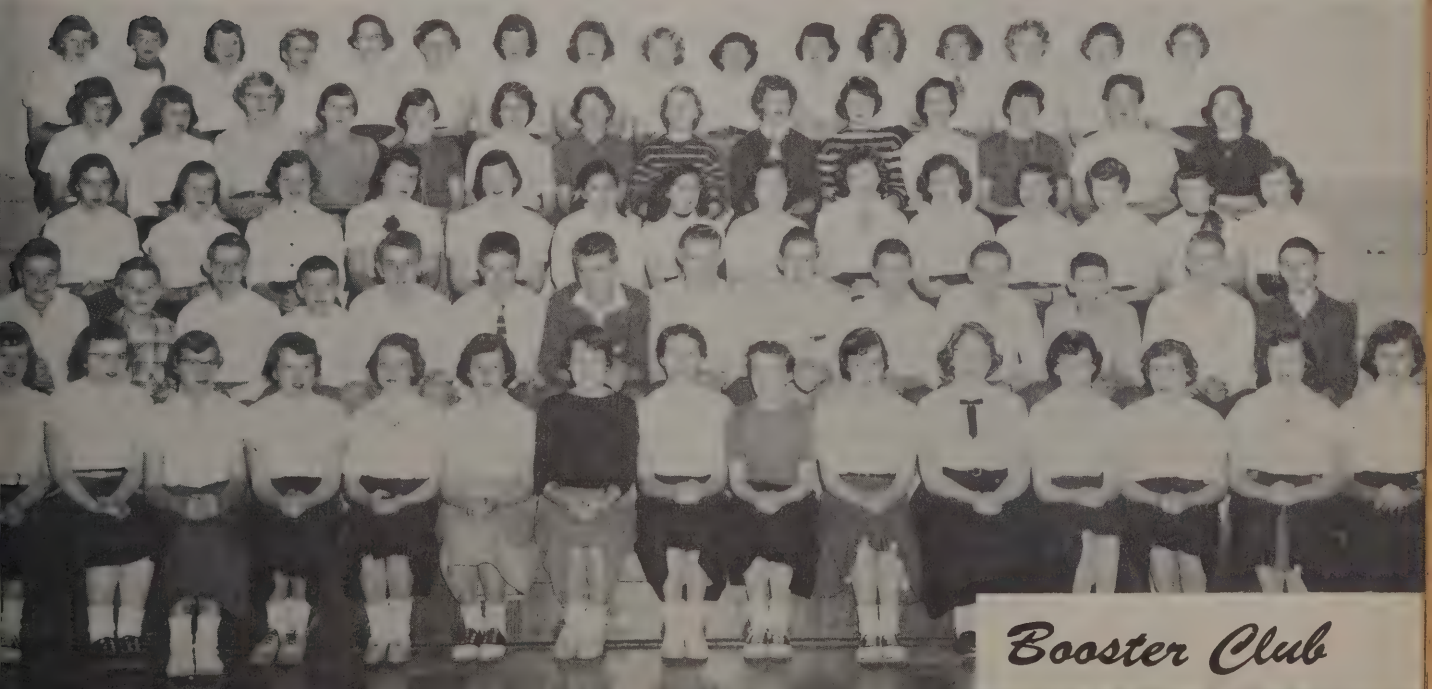

## *Yell Leaders*

Karen Girardot, Judy Webber, Linda Koehlinger.

Hoagland's energetic capable yell leaders deserve much credit for backing the team and giving them the necessary moral support. Karen, Linda, and Judy have worked hard at the job of leading the Booster Club and keeping the enthusiasm high at all games.

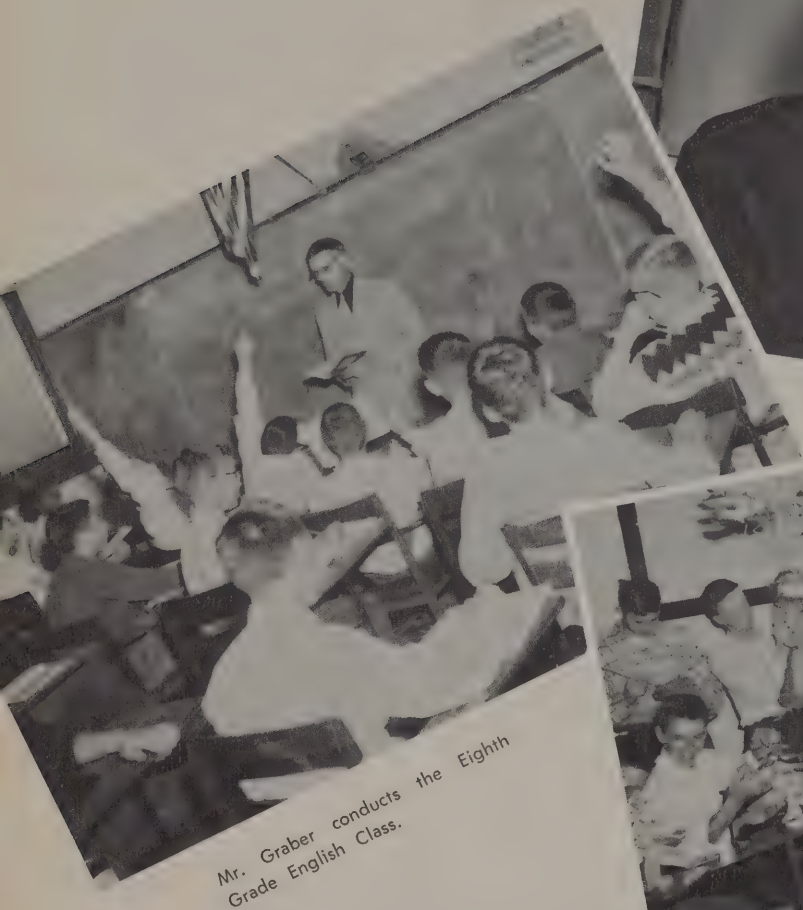

The Booster Club was organized again this year and is under the direction of Mrs. Helen Macklin. The club has 73 energetic members from both the junior and senior high school. The Band and Booster Club have worked out several yells and the club made a wonderful showing at the county tournament by holding pom-poms while going through the various motions of the yells.

As far as the records are concerned, the Wildcats had quite a few losses racked up against them. However, this doesn't tell the whole story, for many of these losses were due to illness and accidents among the team members, and with a few breaks they would have gone much farther. In spite of everything, the team showed wonderful spirit and should be congratulated on its fine attitude and sportsmanship.

The team was made up of five seniors and five underclassmen, included three juniors and two sophomores. The reserve team was composed of freshmen and sophomores and enjoyed a very successful season.
